Hi Marie,

Hope this message finds you well.

I am reaching out on behalf of Councilmember O'Farrell as the Field Deputy for your neighborhood.

I wanted to personally establish a line of contact and let you know that I am the point-person for all issues surrounding quality-of-life in East Hollywood, and can assist with City services in your neighborhood.

I understand you are frustrated with a lot of the issues surrounding homelessness in East Hollywood.

I would be happy to reach out to you directly and provide some more information about how we can work together to make more improvements in your neighborhood.

What is the best number to reach you, and when would you be able to chat?

Thanks, and looking forward to speaking.

Best,
George

My home was BROKEN IN TO yesterday. A homeless man no doubt camped out in one of the 3 HUGE homeless encampments within 2 blocks of my place climbed on an awning, with a tool and pried off the screen of a second story window (which you don't require my landlord to put bars on) then used the tool to pry open the locked window. He then walked right INTO MY BEDROOM. I woke up to the silhouette of a 6 ft tall man standing in my bedroom! My Husband and I sprang out of bed and chased him out - he didn't run, strolled out of the house and right out the front door! I cold have been home alone! I could have been raped and killed! The audacity of this city to not only allow this but encourage it! Do you know what the cops told me? After they suggest I buy a gun!!!! They told us that they have instructions not to intervene with the homeless because the city is trying to get them in to city services instead ! IT'S NOT WORKING! someone broke in to out house in January and luckily we were awake so scared him off before he actually got inside now less the 6 months later another one who actually got in! Is it going to take someone getting KILLED for you to do something. Your plan IS NOT WORKING! It's time you actually did something! I am a tax payer! I am a voter! My husband is a tax payer and a voter! my neighbors (how are all horrified by the way) are tax payers and voters! We are hard working productive member of society struggling just to live in hollywood ! When are you going to put us first! When does our safety and quality of life matter more then some homeless drug addicts and thieves!

SERIOUSLY!

And to twist the knife even more you don't require my cheap slumlord landlord to put bars on the windows even after we asked for them in January! This could have been prevented but no my landlord is allowed to knowingly put us in danger to save a few bucks.

Awaiting your response with some actual action! my cell number is [Privacy](#)

Hi [Privacy](#),

I just left you a voicemail -- seems we've been missing each other today.

I wanted to reach out and coordinate a time with to connect. I am happy to set aside an hour next week and discuss all of the issues in your neighborhood. We can either have the conversation over the phone, or in-person at a location of your choosing.

Please let me know what dates and times work best for you, and if I can get a confirmation of your address, I can see if we can have the Senior Lead Officer for your area join us as well, if we decide to meet in-person.

Thanks in advance, and I look forward to hearing from you.

Best,
George

Hi [REDACTED],

Thanks for clarifying. However, the [REDACTED] Privacy address is not within my purview, and is overseen by my colleague Sean Starkey, copied on this e-mail.

The reason I reached out is because you had indicated in your initial e-mail that you had some concerns in East Hollywood, which is my field area. However, [REDACTED] Privacy is located within the Hollywood area. Because Sean exclusively works with stakeholders in your area, he knows all of the appropriate contacts within this area and is better suited to assist you.

Rest assured: you are in great hands with Sean!

For reference, I've included [a map](#) of our Field areas.

Best regards,
George

Are you able to share the police report with me? I want to follow up with the LAPD officers.
